SP-HF1255B

Two-Way Hi-Fi Wood Speakers

Enjoy fuller music and deeper movie/gaming special effects with the two-way 40-watt Hi-Fi wood speakers - **SP-HF1255B**. The Hi-Fi multimedia system is an excellent choice for connoisseurs of high quality stereo sound. The 4-inch drivers provide a stronger bass and the 1-inch tweeters bring out crystal smooth treble. With an ultra-rigid 9 mm MDF board cabinet, you can feel richer sound and better acoustics while enjoying your favorite movie or music.

The SP-HF1255B provides a noticeable performance upgrade for your computer, iPod, or any of your audio devices. Volume, bass, and treble control along with an extra line-in jack are within easy reach on the front of the speaker. With the line-in jack in the front, you can directly play music from a MP3 player or other audio devices without disconnecting the SP-HF1255B from your PC. This system provides a wonderful acoustic experience, no matter if you are listening to music, playing a game or watching a movie.

Convenient controls and extra line in jack
